[Harry]: "News on the Web?"
[Louise]: "Forty-four million Americans without health insurance."
[Harry]: "That's huge, an epidemic."
[Louise]: "That only coverage can cure."
[Harry]: "We can't leave working families with kids without insurance."
[Louise]: "Well, someone actually has a workable plan called

Insure USA. It has tax relief for workers and small businesses and special help for the working poor."
[Harry]: "But not government run healthcare."
[Louise]: "I'm emailing this to the candidates."
[Announcer 1]: Send them a message.  [Announcer 2]: Coverage is

Coverage is the Cure.
